4th NiCE Summit SYDNEY

Date: Wednesday, 2 October 2024

Duration: 8:30 AM – 6:00 PM

Venue: UTS (UTS Seminar Room, Building 11, Level 6, Room 408, Ultimo campus)

| AEST | Speakers | Presentation title |
|--|---|---|
| 8:30 – 9:00 | Registration | |
| 9:00 – 10:00 | <i>Invited Speaker: Prof Jaeweon Cho, Ulsan National Institute of Science and Technology</i> | |
| 10:00 – 10:20 | <ul style="list-style-type: none"> Ho Kyong Shon | Summit Introduction and NiCE hub updates |
| <i>Session 1, Urine Collection (Chaired by Stefano Freguia)</i> | | |
| 10:20 – 10:30 | <ul style="list-style-type: none"> Stefano Freguia, UOM (presenter) Li Gao, South East Water | Downstream effects of urine and its conversion to liquid fertilisers |
| 10:30 – 10:40 | <ul style="list-style-type: none"> Behzad Fatahi, UTS Jeff His, EIC | Novel Sustainable Ground Stabilisation adopting Calcium Carbonate Precipitation using Urine |
| 10:40 – 10:50 | <ul style="list-style-type: none"> Sayed Iftekhar, Griffith Uni | Project 01' Whole-of-system economics |
| 10:50 – 11:30 | <i>Questions and discussions</i> | |
| 11:30 – 11:50 | Morning Tea | |
| <i>Session 2, Urine Processing to Liquid Fertiliser (Chaired by Jason Prior)</i> | | |
| 11:50 – 12:00 | <ul style="list-style-type: none"> Ho Kyong Shon, (presenter) UTS Li Gao, SEW | NiCE Loo |
| 12:00 – 12:10 | <ul style="list-style-type: none"> Stefano Freguia, UOM (presenter) Matthew Mullis, Urban Utilities Adam Blunn, AJJA | Up-scaling and field demonstration of Ugold technology |
| 12:10 – 12:20 | <ul style="list-style-type: none"> Sherub Phuntsho, UTS Jing Guan, Origin water International | Nutrient recovery using membrane technology |
| 12:20 – 12:30 | <ul style="list-style-type: none"> Qilin Wang, UTS | Achieving Nitrite Shunt for Mainstream Sewage Treatment Using Human Waste |
| 12:30 – 13:10 | <i>Questions and discussions</i> | |

| | | |
|--|--|---|
| 13:10 – 13:50 | Lunch | |
| Session 3, Fertiliser Optimisation (Chaired by Stefano Freguia) | | |
| 13:50 – 14:00 | <ul style="list-style-type: none"> • Bernadette McCabe, Serhiy Marchuk (presenter, <i>zoom</i>), UniSQ • Durrell Hammond, Pyrocal • Joanne Hulley, Logan City Council | Loganholme Biosolids Gasification Project |
| 14:00 – 14:10 | <ul style="list-style-type: none"> • Mikel Duke, VU (presenter) • Bahay Ozcakmak, Parkway Limited | Unique solution-membrane chemistries during membrane distillation of complex industry wastewaters for circular economy applications |
| 14:10 – 14:20 | <ul style="list-style-type: none"> • Liu Ye, UQ (<i>pre-recorded</i>) • Clare Idriss, ICON Water • Peter Wardrop, Melbourne Water | Evaluating the impact of sustainable nitrogen management on carbon footprint |
| 14:20 – 14:30 | <ul style="list-style-type: none"> • Jordan Roods, UTS (presenter) • Jason prior and Dana Cordell, UTS/ISF | What governance model should we adopt for a thriving circular nutrient economy? A review |
| 14:30 – 15:10 | Questions and discussions | |
| 15:10 – 16:00 | Afternoon Tea and Microbial health risk scoping workshop by Johanna Engels (PhD Candidate) and Prof Anne Roiko, Griffith University | |
| Session 4, Fertiliser End-Use (Chaired by Jeff Powell) | | |
| 16:00– 16:10 | <ul style="list-style-type: none"> • Leonard Tijing, UTS (presenter) • Neil Palagedara, City of Sydney | Test applications of Urval fertiliser for urban parklands and green walls |
| 16:10 – 16:20 | <ul style="list-style-type: none"> • Kerry Tozer, UTS (presenter) • Jason Prior and Dana Cordell, UTS/ISF • Gary Leeson, OCP | What drives a thriving circular nutrient value chain? A review |
| 16:20 – 16:30 | <ul style="list-style-type: none"> • Niraj Yadav, WSU (presenter) • Jeff Powell, WSU • Jason Reynolds, WSU | Effects of Urval dose on growth and survival of two pasture species |
| 16:30 – 16:40 | <ul style="list-style-type: none"> • Ibrahim El Saliby, UTS • Juan Lucas (Presenter), RBGSYD | Applying and studying the effect of human urine nutrient solutions on plant growth, <i>Viola x Wittrockiana</i> |
| 16:40 – 16:50 | <ul style="list-style-type: none"> • Bernadette McCabe and Serhiy Marchuk (presenter, <i>zoom</i>), UniSQ | Evaluation and demonstration of Ugold and Urval efficacy in field trials |
| 16:50 – 17:20 | Future plan and closing remarks | |
| 17:20 - 18:00 | Social networking drinks, all are invited | |
